

## Science, Health and Research Education Summit

*\*Agenda subject to change; see latest at [www.qcni.ca/share](http://www.qcni.ca/share)*

**November 10, 2025**

**Faculty of Medicine, Memorial University**

**[Virtual attendance available]**

<b>8:30-8:40 am</b>	<b>Welcome!</b> <ul style="list-style-type: none"> <li>- Dr. Brendan Barrett, Outgoing Principal Investigator, NL SUPPORT</li> <li>- Dr. Kris Aubrey-Bassler, Incoming Principal Investigator, NL SUPPORT</li> </ul>
<b>8:40-9:55 am</b>	<b>SESSION 1</b> <b>Refreshing Canada's Strategy for Patient-Oriented Research (SPOR)</b> Join Diana Ermel, SPOR Refresh Co-Chair, and member of the Saskatchewan Patient-Oriented Research Centre's Patient Partner Advisory Committee for a discussion about the key themes that arose during a comprehensive community engagement process and the objectives outlined in the final report to shape the future of people-centered and partnership-oriented research in Canada.
<b>9:55-10:45 am</b>	<b>SESSION 2</b> <b>Patient-Oriented Research Quickfire</b> Hear from health professionals and graduate students conducting patient-oriented research with funding provided by NL SUPPORT.
<b>10:45-11:15 am</b>	<b>Break</b>
<b>11:15 am-12:05 pm</b>	<b>SESSION 3</b> <b>Quality of Care NL Research &amp; Evaluation Quickfire</b> Learn more about Quality of Care NL's latest research and evaluation work relating to the health system and the social determinants of health.
<b>12:05-1:05 pm</b>	<b>SESSION 4</b> <b>CorCare – NL Health Services' New Health Information System</b> Learn about the new province-wide CorCare health information system (launching in spring 2026). NL Health Services staff will join us to discuss how this upgraded system can benefit health research and evaluation work aiming to improve population health and patient outcomes.
<b>1:05-2:15 pm</b>	<b>Lunch Break   Student Infographic Session</b>

<b>2:15-2:20 pm</b>	<b>Intro to Breakout Workshops</b> Amanda Dohey, Director, NL SUPPORT & Quality of Care NL
<b>2:20-3:40 pm</b>	<b>Concurrent Breakout Workshop 1 – How to Write a Patient/Public Engagement and Knowledge Translation Plan</b> Participants of this workshop will learn about the necessary components of a realistic and effective patient/public engagement and knowledge translation plan. Using a fictional project stem, participants will work through a series of exercises that will give them questions and tools that they can apply to crafting PPE/KT plans for any project.
<b>2:20-3:40 pm</b>	<b>Concurrent Breakout Workshop 2 – Using Learning Cycles for Continuous Quality Improvement</b> Led by Quality of Care NL staff and using real life scenarios, participants of this workshop will learn how to start and work through a health/social system learning cycle by discussing who should be engaged in the process, what resources are needed and available to them, as well as the importance of knowledge translation and sharing.
<b>3:40 pm</b>	<b>Event concludes</b>
